STUDENT ENROLLMENT AGREEMENT

STUDENT'S RIGHT TO CANCEL

You have at least three business days to cancel in writing. The school lists the deadline in the agreement and refunds payments less the disclosed nonrefundable enrollment fee. After that period, you may still cancel in writing before the first class day. Any permitted tuition deduction is capped at the lesser of 15% of the stated course or program cost and $100. The school honors any more favorable cancellation terms.

Date by which the student must cancel

WITHDRAWAL AND TUITION REFUNDS AFTER CLASSES START

The school requires withdrawal for confirmed cheating or when a student's exam average falls below 75% and the student declines required tutoring.

Apply the schedule to agreed Level I tuition and 375 clock hours. For any separately registered Level II elective, apply it separately to that class's hours and tuition.

Share of clock hours completed	Refund share of agreed tuition	Tuition charged
25% or less	75%	25%
Over 25% through 50%	50%	50%
Over 50% through 75%	25%	75%
Over 75%	0%	100%

The schedule applies after classes start to student-initiated and school-initiated withdrawals. The school uses completed clock hours it has confirmed. It subtracts the tuition charge for the bracket from tuition paid and refunds any difference due. Refunds are paid within 45 days of receipt of a written request or last attendance, whichever is earlier.

Submit written notice to Administration in person or by certified mail. See the catalog for withdrawal and approved leave procedures. Separately disclosed textbook and supply purchases are nonrefundable after classes start.

TRANSFER AND LICENSING

Transfer of credit and credentials is at the receiving school's discretion. The published first-time MBLEx pass rate for the three-year reporting period is 78.4%. Virginia requires 500 hours for licensure.
